

COVID-19 OUTBREAK, UPDATE #2 March 20, 2020

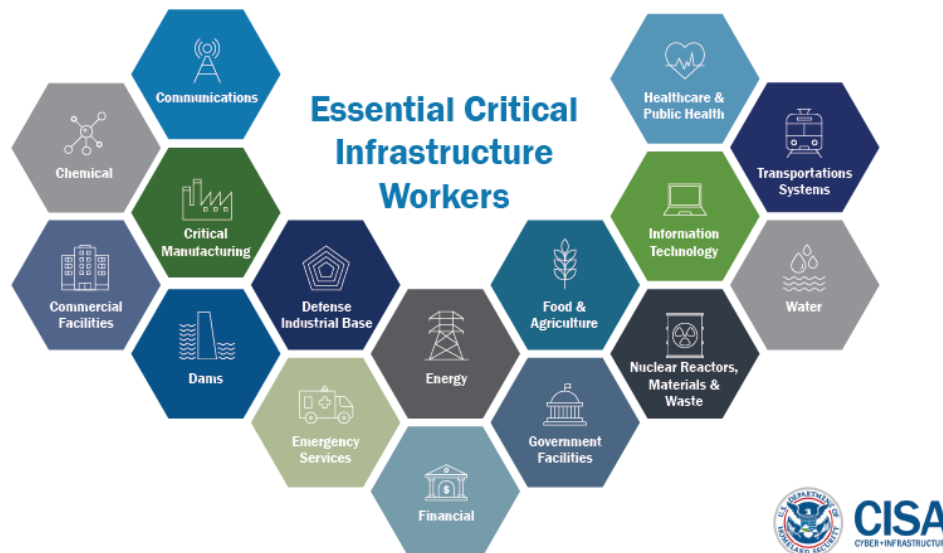

To All Matrix Customers, Suppliers and Associates:

These are unprecedented times, and we would like to acknowledge that Matrix Electronics and its affiliates, Perfect Point & Advanced Copper Foil are **OPEN FOR BUSINESS**. The Printed Circuit Board Industry is considered an essential business, as defined by the US Department of Homeland Security. All of our Branches will remain open and continue to provide goods and services to our PCB Fabrication Customers / Partners. These services include:

- Matrix Circuit Board Materials: CCL, PPG, Imaging and Chemistry
- Perfect Point: Carbide Tools
- Advanced Copper Foil: Supported and Unsupported Cu Foils

Our four (4) Branches, Toronto, Santa Clara, Santa Ana and Chicago, will maintain normal business hours for now. There may be changes in operating hours in the future, due to staffing and production loading issues; we will send out an update one-week in advance as required.

Essential businesses have been defined by the US Department of Homeland Security as those businesses that are define in the graphic below and can be referenced at this link : (<https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>)

As we continue to actively monitor developments on the COVID-19 outbreak, we would like to assure you that the health, and safety of our internal Associates, external Customers and Suppliers, is of the utmost importance to us here at Matrix. We understand that this is a rapidly evolving situation and we will continue to monitor the guidelines issued by the Canadian and USA Governments.

Thank you,
Kieran Healy
